

T-T Rodeo Company LLC

The background of the poster is a stylized illustration in shades of orange and brown. It features a silhouette of a cowboy on a horse, facing right, with a lasso in hand. The cowboy is positioned behind the main title. To the left and right of the cowboy are silhouettes of saguaro cacti. In the upper left corner, there is a large, pale yellow circle representing the sun or moon. The overall style is graphic and thematic of a Western rodeo event.
